Please state \_\_\_ Female \_\_\_ Male

**6. What do you think is the current status of beliefs about Female genital mutilation/female circumcision in the general community?**

7	6	5	4	3	2	1
Nearly Everyone thinks it should be done	Most think it should be done, but some are starting to change their views	Many think it should be done still, but a significant number are starting to change their views	It feels about half and half pro versus anti FGM now	Many think we should end FGM but a significant number still support it	Most think we should end FGM but there are some who think it should continue	Almost No-one thinks it should be done

**7. What do you think is the current status of beliefs about Female genital mutilation/female circumcision amongst people you know well?**

7	6	5	4	3	2	1
Nearly Everyone thinks it should be done	Most think it should be done, but some are starting to change their views	Many think it should be done still, but a significant number are starting to change their views	It feels about half and half pro versus anti FGM now	Many think we should end FGM but a significant number still support it	Most think we should end FGM but there are some who think it should continue	Almost No-one thinks it should be done

8. Thinking about your own abilities, how able do you feel right now, to talk to other **people in your community** about ending FGM/female circumcision?

7	6	5	4	3	2	1
Very able to	Able	A little able	Neither able nor unable	A little unable	Unable	Not at all able

9. Thinking about your own abilities , how able to do you feel right now, to talk **to people you know well** about ending FGM/female circumcision?

7	6	5	4	3	2	1
Very able to	Able	A little able	Neither able nor unable	A little unable	Unable	Not at all able

10. How much do you want to talk to other **people in your community** about ending FGM/female circumcision?

7	6	5	4	3	2	1
Very much	A lot	Quite a lot	A fair amount	A little	Not really	Not at all

11. How much do you want to talk **to people you know well** about ending FGM/female circumcision?

7	6	5	4	3	2	1
Very much	A lot	Quite a lot	A fair amount	A little	Not really	Not at all

12. How much do **people in your community** want to talk about ending FGM/female circumcision?

7	6	5	4	3	2	1
Very much	A lot	Quite a lot	A fair amount	A little	Not really	Not at all

13. How much do **people you know well** want to talk about ending FGM/female circumcision?

7	6	5	4	3	2	1
Very much	A lot	Quite a lot	A fair amount	A little	Not really	Not at all

*The post intervention questionnaire is to be given to each person participating in the intervention to complete at the end of the last intervention session.*

**Post- intervention evaluation questionnaire (follow up)**
